PAOLO GIGLI 1948

Here the perfume meets a jewel

All these extraordinary fragrances are preserved in a richly decorated glass shrine.

Rich in family teachings and accompanied with experts collaborators and «nose», Paolo Gigli develops essence research by creating undoubtedly precious objects until today, matching craftsmanship with olfactory fragrances thus, obtaining a top-level product of perfumery art.

GOURMET

What are Gourmet perfumes? Unlike all other perfumes, Gourmet have the ability to evoke sensations of comfort and pleasure thanks to the use of notes that recall pleasant, delicious ingredients and attract almost like a sweet sin of gluttony thanks to their intensity and persistence.

Gourmet perfumes have the ability to transport those who wear them and those who perceive them on a unique sensorial journey, made up of happy memories and moments of true pleasure.

Ars Mirabile

A collection of six fragrances inspired by the figure of Caterina de Medici.

Over the centuries, the art of creating fragrances became increasingly complex, turning into a real, extraordinary art, an Ars Mirabile Profumatoria until Caterina de Medici made it his, as a creator, inspiring, and patron, making it a real art.

Caterina de Medici was born in XIV century in Florence by the most prestigious and relevant Italian family (Medici) and today we remember her like the French Queen.

ANTIQUA FIRENZE

Enzo Galardi is a renowned perfumer in the world of Fragrances, both in Italy and abroad.

A veritable Artisan of Artistic Fragrances, his sensitivity and creativity allowed him, as a child, to be considered as the natural successor of the Galardi family, continuing the great passion of his grandfather Guido for the art of perfumery.

He decides to create and introduce his modern dream, enclosed in the new line “AntiQua” Firenze.
